WARDEN MESSAGE

October 15, 2008

The Embassy requests that wardens pass the following message in its entirety to members of the American Community:

The Embassy would like to remind American citizens in Saudi Arabia of ongoing security threats.

American citizens who choose to visit Saudi Arabia are strongly urged to avoid staying in hotels or housing compounds that do not apply stringent security measures and are also advised to maintain good situational awareness when visiting commercial establishments frequented by Westerners. American citizens also are advised to keep a low profile; vary times and routes of travel; exercise caution while driving, entering or exiting vehicles; and ensure that travel documents and visas are current and valid.

No. 18/2008

American citizens are reminded to keep their registration up-to-date. See <https://travelregistration.state.gov/ibrs/ui/> for registration information.
