## **Travelers Should Request Visa Appointments Now for Summer Visits to the U.S.**

The Embassy of the United States of America in Riyadh would like to advise individuals planning to travel to the U.S. to anticipate the U.S. visa requirements.

We encourage travelers hoping to visit the U.S. during the summer season to make appointments now in order to ensure sufficient time for the processing and issuance of visitor visas. As the summer months approach, demand for interview appointments will increase. Travelers are urged to apply early for appointments to avoid unnecessary disappointment and delays.

All appointments are now made online at <http://ksa.us-visaservices.com>. For more information on required forms to apply for a visitor visa, please visit our website at <http://riyadh.usembassy.gov>.
